Maisie Belle

Alvechurch Marina

£34,500.00

A 57ft 2000 G & J Reeves 7 berth semi-traditional stern narrowboat

A semi-traditional stern narrowboat with a well-thought-out layout and plenty of potential for someone looking for a liveaboard project or a boat to make their own. Whilst she would benefit from some modernisation, her solid structure and characterful interior offer a great foundation.

Entering from the stern, you step into a bedroom with a bunk and single bed setup, complete with built-in drawers – ideal for children or guests. Wooden panelling gives the space a traditional, cosy feel and continues throughout much of the boat.

The bathroom features a fully tiled finish, a bath with overhead shower and glass screen, a vanity unit, and a pump-out toilet. Next is a comfortable double bedroom with overhead shelving, two cupboards, and storage drawers under the bed.

The kitchen is cleverly laid out in an S-shape, with a sink beneath a side hatch, workspace opposite, and a cooker, fridge, and cupboards below. Beige patterned tiles and white cabinetry keep the space feeling light and airy.

The saloon offers flexible living, with an L-shaped seating area that converts into a double or two singles, a moveable dining table, and a solid fuel stove for added warmth. Light walls and portholes throughout the boat add charm and brightness, complemented by wooden flooring underfoot.

Could Maisie Belle be your new floating home?
