## Malibu Sunset

Hilpertown Marina

£33,000.00

A 47ft 1994 Lockhart Marine 4 berth Traditional Stern Narrowboat

Malibu Sunset is a charming narrowboat with a bold blue exterior, accented by a warm yellow sunset border that gives it a distinctive and inviting character. The tiller continues the same colour theme, creating a stylish appearance.

Upon stepping aboard, you're welcomed into a comfortable double bedroom, ideal for a couple looking to relax and enjoy life on the water. Just beyond is the control room which is fitted with a Beta 38 engine.

The bathroom is well-equipped with a cassette toilet, a bath complete with a shower head and curtain, and a wash basin. There's also a convenient drying rack, perfect for airing clothes or towels.

Continuing through the boat, you'll find a thoughtfully designed galley featuring a four-burner hob and gas cooker, a standard-sized fridge, a full sink with drainer, and cupboard space for groceries and essentials. At the end of the galley, a breakfast bar provides a cosy dining spot for two.

The saloon area offers a welcoming space to relax or entertain, with a burnt orange sofa bed that easily converts into a temporary double for visiting friends. A solid fuel stove adds warmth and character, while a corner cupboard offers space for a small TV or media setup.

At the rear, the boat opens out to a small deck area, perfect for enjoying sunny days and peaceful mornings.

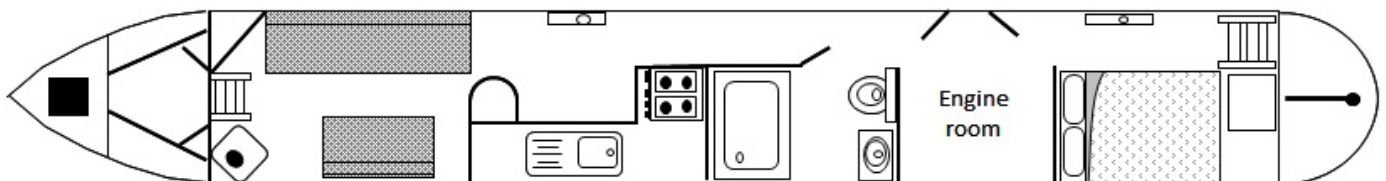

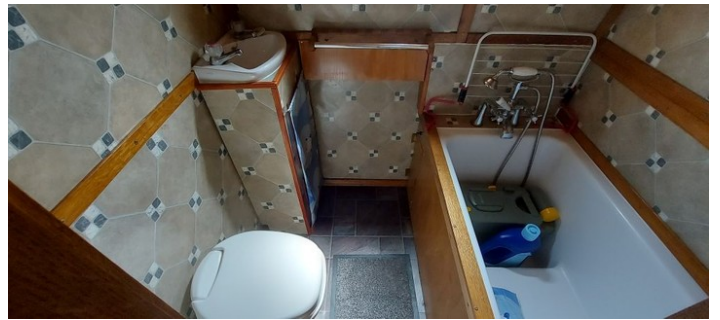

Natural light filters through the portholes throughout the boat, creating a bright and airy atmosphere, while two radiators ensure comfort during colder weather.

The boat's hull was last blacked in May 2025, and two new anodes were installed in September 2023. Onboard, there are three solar panels: one powers the TV, while the others support the interior lighting. Malibu Sunset also comes with a valid Boat Safety Certificate until January 2026.

If you would like to arrange a viewing or for further information, please call Hilperton Marina on 01225 765243.
