Hilpertion Marina

£59,950.00

A 70ft 2010 ABC Leisure Group Ltd 10 berth cruiser stern narrowboat. Available October 2025.

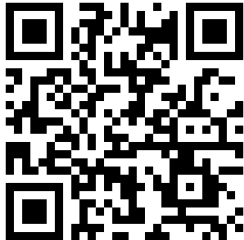

Marsh Owl presents the opportunity to own a large ex-hire narrowboat, with versatile bedding arrangements which can accommodate up to 10 people. The boat holds a valid boat safety certificate until February 2026. Entering through the cruiser stern is the first bedroom cabin. This offers flexible bedding, which can be configured as two singles or one double berth. There is also an optional fold-down high level single bunk bed. Next is the first bathroom, which is fitted with a washbasin, a toilet and a shower. Continue through the boat and there is wardrobe storage to the right, followed by a dinette. This can be converted to two single berths or one double when required. There is additional wardrobe storage at the far side of this cabin. Next is the galley. This is fitted with a 4 burner hob/cooker, a sink and a fridge. This leads to further cupboard storage on the left, followed by a second dinette. This dinette can again be converted to two singles or a double berth. Following this is the second bathroom, equipped with a washbasin, a toilet and a shower. At the bow of the boat is the second bedroom cabin. This again can be configured as two singles or one double and offers an optional high level bunk.
