

Martlet

Gayton Marina

£30,000.00

A 50ft 1980 Hancock & Lane 3 berth cruiser stern narrowboat.

This much-loved narrowboat has been in the care of the current owner for the past 9 years and is now in need of a new owner to take her out on the water again. Currently configured as a 3 berth, there is enough space inside to provide up to 6 berths with a little modification.

Both the stern and the bow are protected with comprehensive pram hood and cratch covers offering ample protection from the elements.

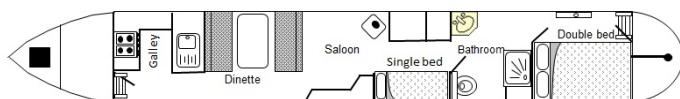

Entering the boat from the stern, the first cabin is a dedicated double berth. This is followed by a walk-through bathroom, equipped with a good-sized shower cubicle with glass screen, porta-potti toilet and corner washbasin unit.

A second bedroom follows the bathroom - this currently holds one single bed with storage shelves and space opposite, but there is space to replace the storage with a second single berth if required.

The saloon space is largely unfurnished at present but does have a corner stove and some useful cupboards for further storage.

A Pullman-style dinette provides for dining in comfort, handily right next to the 'U' shaped galley, which is fitted with sink and drainer, under counter fridge, integral oven and hob and worktop space.

A single side door leads up to the bow deck. To make an enquiry or arrange to view, please contact Gayton Marina on 01604 858685.
