

# Martlet

Gayton Marina

£7,000.00

A 50ft 1980 Hancock & Lane 3 berth cruiser stern narrowboat.

This homely narrowboat has been in the care of the current owner for the past 10 years and is now in need of a new owner to take her out on the water again. Currently configured as a 3 berth, there is enough space inside to provide up to 6 berths with a little modification.

Both the stern and the bow are protected with comprehensive pram hood and cratch covers offering ample protection from the elements. In addition, the hull was treated to a 2 pack epoxy coating in 2023.

Entering the boat from the stern, the first cabin is a dedicated double berth. This is followed by a walk-through bathroom, equipped with a good-sized shower cubicle with glass screen, porta-potti toilet and corner washbasin unit.

A second bedroom follows the bathroom - this currently holds one single bed with storage shelves and space opposite, but there is space to replace the storage with a second single berth if required.

The saloon space is largely unfurnished at present but does have a corner stove and some useful cupboards for further storage.

A Pullman-style dinette provides for dining in comfort, handily right next to the 'U' shaped galley, which is fitted with sink and drainer, under counter fridge, integral oven and hob and worktop space.

The hull was treated with 2-pack Epoxy in 2023.

A single side door leads up to the bow deck.

Overall length	50 feet
Beam	6 feet 10 inches
Draft	--
Headroom	6 feet 1 inches
No. of berths	3
Style of stern	
BSS certificate expiry	--
Built	In 1980 by Hancock and Lane
Fitout	
Base	Steel
Hull	Steel
Cabin	Steel
Engine	BMC 1.5
Gearbox	Newage

A recent surveyor's report has indicated that hull repairs may be required. Grit blasting of the hull is likely to be necessary to establish the full extent of any deterioration and to accurately determine the scope of the required repairs.
