

Medway

Gayton Marina

£20,000.00

A 69ft 2004 Alan Thompson cruiser stern narrowboat.

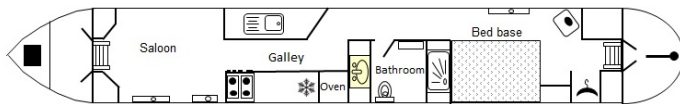

Narrowboat Medway presents an exciting opportunity for someone seeking a rewarding project with the freedom to create a truly personal floating home. In need of refurbishment and reimagining, Medway would ideally suit a buyer with a creative flair and a vision for transforming a blank canvas. With thoughtful design and care, this boat has the potential to thrive once more in the right hands.

Stepping aboard from the stern, you descend down the steps directly into the bedroom, offering a practical and private sleeping space. Moving forward through the boat, the next compartment is the bathroom, which is already laid out to include a shower, toilet, and hand basin. This functional arrangement provides a solid foundation for modernisation or personal upgrades to suit individual tastes.

Beyond the bathroom lies the galley, ready to be redesigned into a welcoming and efficient cooking area. Continuing through to the saloon at the bow, there is ample opportunity to create a warm and inviting living space—perfect for relaxing, entertaining, or simply enjoying life afloat. The internal layout offers a logical flow and plenty of scope to tailor each area to your own style and needs.

With imagination, craftsmanship, and care, Medway could be transformed into a charming and unique narrowboat. For the right buyer, this project represents not just a refurbishment, but the chance to bring new life and personality to a boat that is ready for its next chapter.
