

Mersey Delta Blues

Anderton Marina

£2,750.00

A 23ft 1987 Norman 4 berth GRP motor cruiser.

Perfectly sized for cruising the beautiful Mon & Brec canal, this motor cruiser comes with a solar panel and controller. There is convertible seating on board which can provide you with 2 double berths if needed. Mersey Delta Blues has good galley space with a sink, work surface and cooker, and a separate cabin opposite contains a porta-potti. There is also a dinette with table and seating.

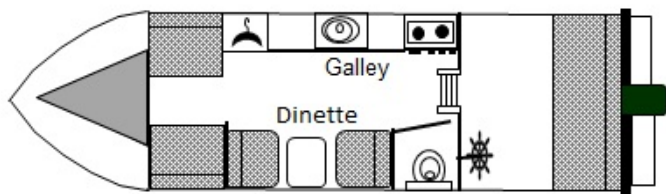

The cockpit is protected by a full pram hood cover and has sofa seating plus the captain's seat. Doors then lead down into the internal accommodation.

Propulsion is catered for by a Mercury petrol outboard motor.

Ideal for someone wanting to lavish a little TLC and add their own finishing touches to a boat for holidays and high days afloat.
