Mon Petit

Blackwater Meadow Marina

£38,000.00

A 30ft 2010 Drayton Boat Services 2 berth semi-traditional stern narrowboat.

A fantastic opportunity to purchase a super modern little narrowboat, perfect for high-days and holidays afloat. Mon Petit comes with her original Declaration of Conformity and is a doddle to turn and moor anywhere on the British Canal network.

A bright and cheerful blue and yellow livery is complemented by cratch covers to stern and bow, and a solar panel can be found on the roof near the front.

The semi-traditional stern has a handy seat, non-slip floor covering and side steps leading down to the back door of the interior.

Once inside, the first cabin on the left is the bathroom which has a fully-tiled shower cubicle, vanity unit with inset washbasin, and a cassette toilet.

Moving forward the boat opens out into a galley and saloon area, with the 6ft 5ins headroom adding to the light and airy feel here.

There are attractive galley units with plenty of cupboards and drawers in addition to a freestanding oven, inset sink and drainer and under-counter fridge/freezer.

The saloon contains comfy sofa seating to either side, which converts to provide a double bed at night. There is also a solid-fuel stove next to the bow doors. Double doors lead out to the bow deck with has bench seating and a removable cover for enjoying sunny days on the water!
