

## Mud skipper

Gayton Marina

£44,950.00

A 50ft 1997 Hallmark 4 berth cruiser stern narrowboat.

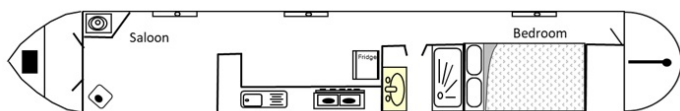

Introducing Mudskipper, a beautifully presented narrowboat with a cheerful sky blue exterior that brings charm and character to the waterways. Whether you're seeking a peaceful holiday cruiser or a comfortable liveaboard, Mudskipper offers the perfect blend of style, practicality, and comfort.

Both the stern and bow are fitted with smart navy blue cratch covers, providing protection from the elements while adding a touch of elegance. On the roof near the stern, you'll find solar panels, offering an eco-friendly energy source to help keep your onboard systems running efficiently.

Entering through the stern's single door, you'll find a cozy fixed double berth with generous under-bed storage, ideal for keeping your space tidy and organised. Next, you'll step into a well-equipped and thoughtfully decorated bathroom, designed with comfort in mind.

Moving forward, the boat opens into a bright and spacious open-plan galley and saloon. The interior is finished with white tiles and a calming blue-grey tone on the lower walls, creating a fresh, airy, and relaxing atmosphere. The galley is fully equipped with everything you need, including a fridge, 2-burner hob, oven, freestanding fridge/freezer, and microwave. Large windows line the space, allowing plenty of natural light to pour in and making the boat feel even more open and inviting.

The saloon is a perfect place to unwind, featuring a TV, radiator, and double doors that open out onto the bow—ideal for enjoying your morning coffee or watching the world drift by. To keep you warm and cosy throughout

Overall length	50 feet
Beam	6 feet 10 inches
