

No. 8

Gayton Marina

£115,000.00

A 57ft 2024 Cooks Co. Canal Boats 4 berth cruiser stern narrowboat.

A gorgeous newly-built narrowboat with a sought-after reverse layout. Finished to a high standard with ample scope to add your personal touch to the already stylish design. This boat has also just been blacked in February 2025!

No. 8 has a large and sociable cruiser stern, and the stern doors then lead straight into a smart 'galley' style kitchen area. There are work surfaces to both sides and a classic dark blue and oak wood colour scheme which is repeated throughout the boat.

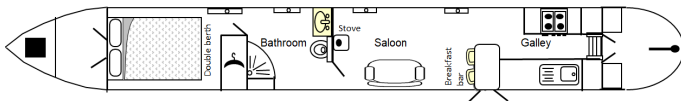

At the end of the galley is a spacious breakfast bar with seating beneath, before the boat opens out into a large and airy saloon area, with a side hatch, solid fuel stove, double sofa bed and a large skylight in the roof.

The walk-through bathroom makes optimum use of the space available, including a modern shower cubicle with curved glass surround.

Passing out of the bathroom the bow of the boat holds a full-width double bed, as well as floor-to-ceiling wardrobes.

Central heating radiators and the solid fuel stove make sure the boat can be warm and welcoming whatever the weather!

To arrange to view this super boat, please contact Gayton Marina on 01604 858685.
