## Oak

Alvechurch Marina

£44,950.00

A 68ft 2005 Alvechurch Boat Centres 8 berth semi traditional stern narrowboat.

Oak offers the perfect opportunity to purchase an ex-hire fleet boat. She was last blacked and had new anodes fitted in May 2025 and will be issued an new BSS in the coming days.

Entering the boat from the stern, you will find the first sleeping cabin. This has a flexible arrangement whereby the beds can be set up as 2 singles or a double. If only one single bed was required the other could be removed to create extra space.

Forward of this is a shower room with a hip bath, vanity unit and an electric macerator toilet.

Next is another sleeping cabin with the same flexible arrangements as the first. This leads to a similar shower room but this time there is a shower cubicle instead of a hip bath.

A double sleeping cabin is next and this has a fixed double bed with drawers underneath and an overhead cupboard. Each cabin has a door that can be closed for privacy. This allows at least one bathroom to be accessed by each sleeping cabin without disturbing the cabin next door.

At the fore end of the boat is an open plan galley and saloon. The galley is well equipped with a gas cooker, 12v fridge and a microwave. There is also an inset stainless steel sink and drainer. There is also plenty of worktop space and storage cupboards.

The saloon is fitted with an L shaped dinette which can be converted into a double bed when required. There is

also a TV and a radio in this area. A door leads out to the bow area which has bench style seating either side.
