Orpierre

Fenny Marina

£69,999.00

A 57ft 2014 Collingwood 4 berth semi-traditional stern narrowboat.

Orpierre is a beautifully presented 57ft semi-traditional narrowboat built by Collingwood in 2014, offering spacious and comfortable accommodation for up to four people. Finished in an attractive red and navy blue livery, she has a smart and practical black pram hood over the stern and a matching cratch cover at the bow, giving her an appealing appearance as well as additional weather protection.

Well maintained throughout her ownership, Orpierre benefited from a fresh coat of 2-pack epoxy blacking in June 2024 and had four anodes fitted in 2019. She also comes with a Boat Safety Certificate valid until July 2030, providing reassurance for her next owners.

The interior is finished in attractive timber throughout, creating a warm and welcoming atmosphere while maintaining clean, modern lines. The reverse layout makes excellent use of the available space and provides a practical flow through the boat.

Entering from the semi-traditional stern, you step into a bright and open-plan galley, dinette and saloon area. The well-equipped galley features a built-in eye-level gas oven, separate four-burner hob, fridge, sink and drainer, along with generous worktop space and ample storage. Forward of the galley is a Pullman-style dinette, which converts easily into an additional double berth when required.

The saloon provides a comfortable space for relaxing after a day on the water and is furnished with two easy chairs, a solid fuel stove, TV and useful dresser-style storage. The combination of the stove and diesel-fired

central heating throughout the boat ensures Orpierre remains comfortable in all seasons.

The bathroom is fitted with a corner shower, cassette toilet and an attractive porcelain wash basin, creating a practical and stylish washroom space.

At the bow of the boat is the bedroom, which features a comfortable fixed double bed, overhead lockers, wardrobe storage and a second TV. Steps from the bedroom lead directly onto the bow deck, providing an ideal spot to sit and enjoy the waterways.

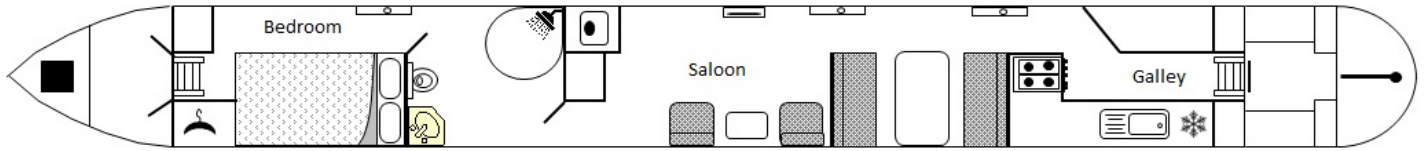

Combining quality Collingwood construction, a sought-after reverse layout and a warm, inviting interior, Orpierre would make an excellent leisure boat for couples and families alike, whether for weekends away, extended cruising or longer stays aboard.
