

Our Sonia

Alvechurch Marina

£33,000.00

A 55ft 1998 Liverpool Boat Company 4 berth cruiser stern narrowboat.

Our Sonia is an attractive narrowboat laid out in the popular reverse layout style.

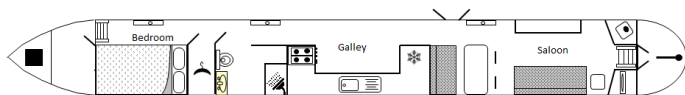

As you enter the boat from the generous cruiser stern, steps take you down to an open plan saloon and dinette. This area is heated by a multi fuel stove and the dinette can be converted into a double berth, ideal for entertaining guests.

A U shaped galley follows. This is equipped with a built in gas hob and oven, fridge and a sink and drainer. Storage comes in the form of both undercounter and overhead cupboards.

Next is the bathroom which is fitted with a wash basin, drop through toilet and a shower. There is also a storage cupboard immediately after.

The final cabin is the bedroom. The double bed has handy storage drawers underneath. A single door leads out to the bow deck.
