

Paradise Won

Gayton Marina

£1.00

A 26ft 1984 Viking Mouldings 6 berth GRP motor cruiser.

****Paradise Won is a project boat due to having been submerged. This Boat is now FREE to anyone who would like to take it, provided you have your own transport. Assistance will be given to load it onto your trailer****

This 26ft motor cruiser is ready for a complete external and internal refurbishment. Of particular note to prospective purchasers are:

There is fibreglass damage to the bow & stern areas above the waterline that we are aware of.

The cratch cover frame is damaged and partly missing, and the canopy is completely missing.

There is damage to the window frames and the hull requires a new antifoul treatment.

The whole interior is damaged and would require replacing. The wiring will need to be checked and probably replaced due to submersion in water. The batteries need replacing.

Sale is conditional upon the purchaser removing the boat from Gayton Marina upon completion, either by a free crane lift onto a trailer or by arranging to tow it from the Marina.

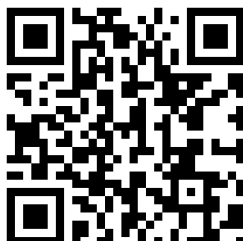

This boat is sold as seen. To make an enquiry or arrange to view, please contact Gayton Marina on 01604 858685.
