

Peaceful Warrior

Gayton Marina

£20,950.00

A 34ft 1985 Springer 2 berth cruiser stern narrowboat

Peaceful Warrior is a charming and characterful narrowboat with a warm, inviting interior and a thoughtfully designed layout. Entering from the stern, you'll find a compact yet functional galley, perfect for preparing simple meals on the water.

Moving forward, the saloon offers a cosy retreat with a fixed bench seat, a comfortable armchair, and a welcoming stove. Ideal for curling up with a book from the nearby bookshelf!

The bathroom is equipped with a shower, and the Porta Potti toilet is neatly stored within the shower space for practicality. Beyond the bathroom, there's a handy wardrobe for storage, leading into an attractive double bedroom. From here, step out onto the bow to enjoy peaceful mornings or sunset views.

The interior is finished with wooden panelling on the walls and ceiling, complemented by attractive wooden flooring. Decorated in nautical blues and light, calming tones, Peaceful Warrior truly lives up to her name — a tranquil escape with a touch of adventure.

Peaceful Warrior has a Boat Safety Certificate valid until 27/03/2026
