Alvechurch Marina

£47,500

A 56ft 2006 Liverpool Boat Company 4 berth cruiser stern narrowboat.

Persephone is a charming 56ft cruiser stern narrowboat built by Liverpool Boat Company in 2006. Beautifully presented in a rich navy blue livery with elegant cream coach lines, she offers comfortable accommodation for up to four people and has recently been lifted, blacked, and returned to the water, ready for her next owners to enjoy.

Stepping aboard from the cruiser stern, an unusual curved staircase leads down into the generously proportioned master bedroom. This welcoming space features a fixed double bed, wardrobe, and dedicated dressing area, providing excellent storage and comfort for longer stays aboard.

Moving forward, the bathroom is well equipped with a corner shower cubicle, vanity unit, and macerator toilet. The U-shaped galley follows and offers everything required for onboard living, including a gas cooker, under-counter fridge, and an eye-catching circular sink with drainer. Ample worktop space and plentiful cupboard storage make meal preparation easy, while a side hatch provides additional light and ventilation.

Adjacent to the galley is a comfortable Pullman-style dinette, perfect for dining or entertaining. When required, this area converts into a second double berth, allowing Persephone to accommodate up to four people.

The forward saloon provides a versatile living space that can be furnished and arranged to suit the new owner's individual requirements. A solid fuel stove creates a cosy focal point for cooler evenings, while central heating throughout the boat ensures year-round comfort.
