

Raggedy Ann

Hilperton Marina £38,950

A 40ft 2002 Black Country Cruiser 3 berth cruiser stern narrowboat.

Raggedy Ann is a charming 40ft cruiser stern narrowboat built in 2002 by Black Country Cruisers. Beautifully presented in a sky-blue livery with contrasting dark blue pram and cratch covers, she offers an attractive and welcoming appearance that will turn heads wherever she cruises. With four roof-mounted solar panels, a practical cruiser stern, and a thoughtfully designed interior, Raggedy Anne is perfectly equipped for enjoyable adventures on the inland waterways.

Stepping aboard from the cruiser stern, you'll find a bench seat, providing the perfect spot to relax and enjoy the views of the canal. The stern deck benefits from a full pram cover, creating additional usable space and shelter in all weather conditions.

Entering the cabin, the accommodation has been cleverly arranged to make the most of every inch of space. The aft bedroom features a fixed double berth with useful storage beneath, an overhead cupboard at the foot of the bed, and a further storage cupboard currently used for boating equipment and essentials.

Moving forward, the bathroom is fitted with a wash basin, cassette toilet and a smart shower cubicle finished with attractive slate-coloured tiling, creating a clean and modern feel.

The well-equipped galley follows, offering everything required for life afloat. Facilities include a gas oven with separate four-burner hob, sink and drainer unit, under-counter 12v refrigerator, generous worktop space, and ample cupboard storage for provisions and cookware.

At the bow of the boat is the welcoming saloon, a bright and comfortable space designed for relaxing after a day's cruising. A sofa provides seating by day and can also be used as an additional single berth when required. There is a useful storage unit incorporating a drop-leaf table, along with further cupboard space. The room is completed by a well-maintained Boatman solid fuel stove, creating a cosy atmosphere during the cooler months.

Compact, practical and full of character, Raggedy Ann would make an ideal first narrowboat, holiday boat, or weekend retreat. Her sensible layout, attractive presentation and useful onboard features combine to create a boat that is both easy to manage and enjoyable to own.

Raggedy Ann has a Boat Safety Certificate, valid until March 2030.
