Red Cardinal

Goytre Wharf

£39,000.00

A 40ft 2002 Milsteel Fabrications 4 berth cruiser stern wide beam

Red Cardinal is a beautifully presented wide beam offering spacious, modern living on the water. She started life as an ex- Redline (now ABC) hire boat with full history at Goytre Wharf, purpose built for the unique Monmouthshire and Brecon Canal.

From the stern, step into an open-plan kitchen and saloon, where oak worktops and cabinetry create a warm, contemporary feel. A cosy stove and a convertible sofa-bed make this space both practical and inviting, with plenty of shelving for storage or display.

Slate tile flooring runs throughout the boat, enhancing its sleek, modern vibe.

The stylish bathroom features white panelling, tiled finishes, a fitted vanity unit, and a separate shower for everyday comfort. A wardrobe area follows, leading into a light and airy double bedroom at the bow – the perfect retreat after a day on the water.

One of Red Cardinal's standout features is its unique stern seating, crafted from a beautifully finished piece of timber – ideal for enjoying peaceful moments outdoors.

Decorated in fresh, light colours with a clean, modern design, Red Cardinal is a truly special floating home.

Red Cardinal has a Boat Safety Certificate valid till April 2028.

To enquire or view this beautiful wide beam please call Goytre Wharf on 01873 880516.

Additional information

Survey completed in 2022 showed 10mm plate.

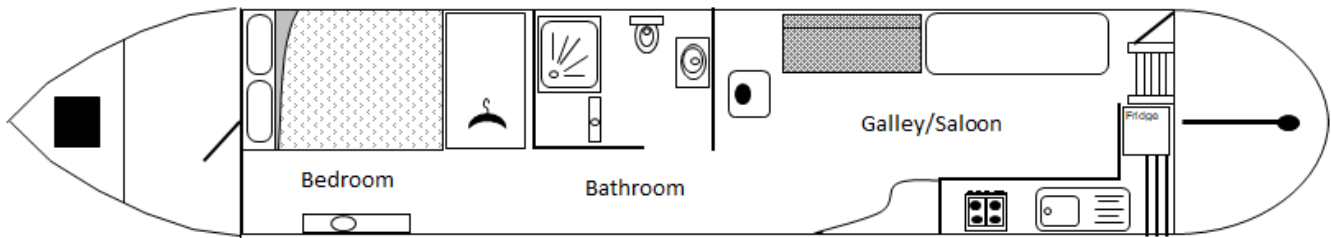

Tiller bearing will most likely need replacing when the boat is next taken out for blacking.

Smoke and CO2 alarm fitted-last tested 04/2025.
