Red Rooster

Goytre Wharf

£25,000

A 26ft RLL Boats ex hire day trip cruiser stern narrowboat.

Red Rooster is a charming 26ft cruiser stern narrowboat built by RLL Boats and formerly operated as a popular hire day boat on the beautiful Monmouthshire & Brecon Canal. Having spent many years helping customers create lasting memories on the water, she is now ready to begin a new chapter with a private owner.

Finished in a cheerful red and green livery, Red Rooster is an attractive and characterful boat that is sure to turn heads along the waterways. A cratch cover over the bow provides additional shelter and makes the forward deck an enjoyable space to relax whilst moored or cruising.

Stepping aboard from the cruiser stern, you enter a practical and well-laid-out interior. To starboard is the galley area, fitted with a hotplate hob, grill and sink, providing everything needed for preparing drinks and light meals whilst afloat. Opposite is a WC compartment equipped with a drop-through toilet.

Moving forward through the boat, the main cabin features padded bench seating on both sides, creating a sociable space for family and friends to enjoy time together on the water. At the bow, further bench seating on either side offers a wonderful spot to sit back, unwind and take in the surrounding scenery.

Compact, easy to handle and full of character, Red Rooster would make an ideal first boat or a comfortable day cruiser. She comes with a Boat Safety Certificate valid until April 2029, offering peace of mind for her next owner and allowing her to be enjoyed straight away.

To arrange a viewing or for any further information, please call Goytre Wharf on 01873 880516.
