

Reed Bunting

Worcester Marina

£16,000

A 30ft 2 berth cruiser stern narrowboat.

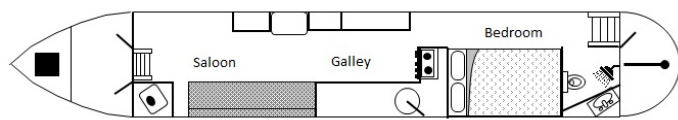

Reed Bunting is a cute and compact cruiser stern narrowboat, ideal for practical and comfortable cruising. She was last blacked in May 2024 and has a Boat Safety certificate, valid until June 2029.

Stepping down from the stern, to the left there is a WC equipped with a toilet, basin and shower. immediately following this is the bedroom, with a fixed double bed. A large window allows plenty of natural light to fill the space, creating a bright and welcoming atmosphere.

The small but perfectly formed galley follows, with a gas cooker and hob and a quirky circular sink. Continuing through the boat, you arrive at the saloon. The seating can also be converted into a bed, offering additional sleeping accommodation for guests when required. There is also a lovely multi fuel stove keeping the whole boat cosy.

Finally, doors lead out onto the bow deck, providing a pleasant outdoor space to sit and enjoy the surrounding waterways, whether moored or cruising.
