A 57ft 1990 Pinder & Sons Boat Builders 5 berth traditional stern narrowboat

Step aboard Romo, a beautifully crafted 60ft traditional stern narrowboat built by the respected Pinder & Sons in 1990. Brimming with character and warmth, Romo features a full wooden interior that exudes classic charm and a homely, inviting atmosphere.

Starting at the stern, you'll find a traditional boatman's cabin with a single berth, perfect for overnight guests or additional storage. This leads into a generous engine room, followed by a spacious bedroom boasting a fixed double bed with storage beneath and a large wardrobe.

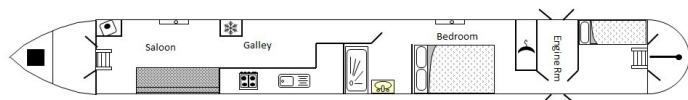

The bathroom includes a hip bath with shower over, a wash basin, and room for a toilet — offering comfort and convenience in a compact space.

The well-appointed galley kitchen comes complete with a built-in oven, four-burner gas hob, fridge, sink with drainer, and ample worktop and cupboard space for cooking aboard with ease.

At the bow, the saloon provides a relaxing haven, featuring a pull-out sofa bed and a Morso stove — ideal for cosy evenings afloat. Central heating runs throughout the boat, making it a comfortable year-round home or holiday escape.

Romo is ready for her next chapter. Whether you're seeking a live aboard lifestyle or an idyllic cruising retreat, this boat blends traditional charm with modern comfort.
