

Rosy Lee

Worcester Marina

£36,950

A 42ft 2003 Eastern Caravans & Narrowboats 2 berth cruiser stern narrowboat.

A perfectly sized boat for ease of turning and mooring, yet with everything needed on board to provide a comfortable floating home. Rosy Lee was serviced, blacked, and issued with a new Boat Safety Certificate in 2024 and comes with the original Owner's Manual.

Entering the boat from the stern, a side door leads straight into a fixed double bedroom with central heating radiator to the side, shelving and storage above and below the bed, and further wardrobe space at the foot of the bed.

This is followed by the bathroom, containing a cassette toilet, vanity unit, and separate shower cubicle.

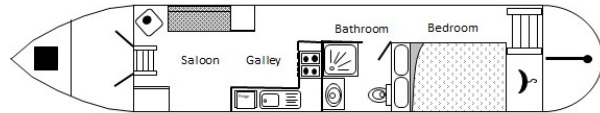

The galley is a classic walk-through design and is equipped with a built-in oven and hob, microwave oven, sink and drainer, under-counter fridge and ample worktop and storage space. Another central heating radiator features here.

Finally, there is a carpeted saloon which holds various storage cupboards, a cushioned seating area with storage underneath, and a solid fuel stove.

Steps lead up to the bow deck which is protected by a cratch over over an 'A' frame.

Rosy Lee boasts 4 anodes which were fitted in 2024 and freshly painted engine bay and bow deck.
