Royal Commission

Alvechurch Marina

£15,000

A 55ft 1996 John White 6 berth cruiser stern narrowboat.

Royal Commission is a well-presented narrowboat offering pleasant accommodation and a practical layout, making it an excellent choice for leisure cruising or as a live-aboard.

Entering from the stern, you descend into the well-equipped galley. This functional space features a stainless steel sink with drainer, a four-burner hob, an oven, and ample cupboard storage. The layout makes excellent use of the available space, offering both practicality and convenience.

Moving forward is the saloon, which provides a comfortable area to relax after a day on the water. The room is fitted with a sofa and radiators, creating a warm and inviting living space suitable for use throughout the year.

Beyond the saloon is the dinette, which comfortably seats four people around the table.

The bathroom is located next and is fitted with a hand basin, shower, and toilet.

At the bow of the boat is the bedroom. The cabin features a bed with a useful storage cupboard above, a wardrobe for clothing and personal belongings, and bow doors that open directly onto the front deck.

Prospective purchasers should be informed that a recent survey noted significant corrosion to the hull and some remedial work needed.
