£59,950

A 59ft 2007 Milburn Boats Ltd 6 berth semi-traditional stern narrowboat

Ryebank is a well presented narrowboat, ideal as a floating home or a cosy retreat for family adventures on the waterways!

Stepping down from the stern into the bedroom, you will find an extendable double bed with overhead storage and a wardrobe. A useful en-suite toilet and wash basin are located in the corner of the room.

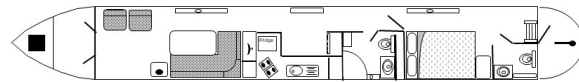

Following through the boat to the bathroom, this room benefits from a hip bath/shower and attractive vanity unit with storage.

The galley is next. A well thought out space, it comprises of a worktop hob and sink, under counter fridge and a separate freezer with an oven above. Wall cupboards can be found at either end of the galley, with hidden storage dividing it from the saloon and living area.

The L shaped dinette has two dismantlable tables and can be used as a double bed in the evening. A multifuel stove sits in the middle of the room, perfect for cold winter nights! Two chair beds provide additional single beds as well as comfortable seating during the day. Bi-fold doors lead out on to the front deck.

There is LED lighting throughout.
