

Scotch Mist

Falkirk Marina £54,950

A 63ft 2017 Ortomader/Mike Christian Boatbuilders 8 berth cruiser stern narrowboat.

Scotch Mist is a spacious 63ft cruiser stern narrowboat that has spent her working life carrying happy holidaymakers along the beautiful Scottish canal network. Built to the robust standards demanded of a hire fleet vessel, she offers practical accommodation, flexible sleeping arrangements and comfortable cruising for families and larger groups alike.

Finished in a smart black livery with elegant white coachlines, Scotch Mist has a traditional appearance that will look at home on waterways across the country.

Entering from the cruiser stern, you step into a cabin fitted with two sets of bunk beds, providing sleeping accommodation for up to four people. Generous wardrobe storage ensures there is plenty of room for personal belongings when cruising.

Moving forward, the first of two bathroom compartments is fitted with a shower, wash basin and pump-out toilet. Beyond this is the second bedroom, which offers a flexible layout and can be configured as either a double berth or two single berths to suit the crew's requirements. Further wardrobe storage is also provided.

Immediately forward is the second bathroom, again equipped with a shower, wash basin and pump-out toilet. The presence of two bathrooms makes the boat particularly well suited to family holidays and larger crews.

The galley is positioned next and is equipped with everything required for extended cruising, including a gas cooker and hob, fridge, sink and drainer. At the bow

of the boat, the comfortable saloon contains a dinette that converts into a double berth when additional sleeping accommodation is required. Steps lead from the saloon onto the forward deck, providing the perfect place to sit and enjoy the ever-changing scenery.

Central heating throughout ensures comfort during cooler evenings and extends the cruising season. Scotch Mist also benefits from a Boat Safety Certificate valid until April 2029.

Viewings need to be arranged around existing hire periods, and the boat will be available for sale completion at the end of October 2026.
