A 50ft 1995 Aynho Boatbuilders 4 berth traditional stern narrowboat.

This traditionally-styled boat has everything needed to provide a comfortable floating holiday home. Blacked in March 2024, Spieky comes with a fixed double berth, central heating, and a diesel-fired stove.

The traditional stern has double doors leading into the engine room, with a side door then opening into a good sized double bedroom with storage space above, underneath and at the end of the bed. The bed can be extended to a width of 4ft 6in.

The bathroom has a fully tiled bath area with overhead shower, and half tiled surround to the washbasin.

A 'U' shaped galley is equipped with eye level oven, separate built in hob, fridge, sink with drainer and ample oak storage cupboards.

The saloon has a cosy feel to it with a stove in the corner and a dinette that can be converted to a second double bed for guests. There is also a side hatch in the galley area for lovely summer days.

Steps lead up to the bow.

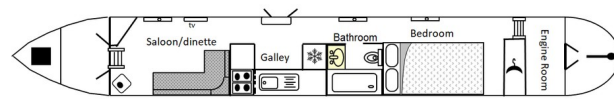

Spieky was issued with a new BSS certificate in March 2024
