A 57ft 2005 Soar Valley Steel Boats 4 berth cruiser stern narrowboat.

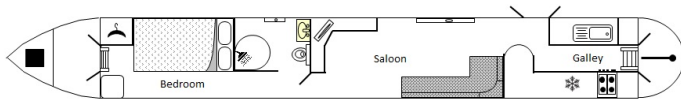

Steelaway is a beautifully presented 57ft cruiser stern narrowboat, built in 2005 by Soar Valley Steel Boats and finished in a striking black and red livery with distinctive steel accents that pay homage to Sheffield's steelmaking heritage. She turns heads wherever she goes and offers a stylish, comfortable home on the water. She is booked in for fresh blacking at the end of April, providing reassurance to her next owner, and benefits from the ever-popular reverse layout.

Stepping aboard from the cruiser stern, you enter directly into a bright and open-plan galley and saloon. The galley is well equipped with an oven, four-burner hob, fridge and a stainless steel sink with drainer, along with generous worktop space, cupboard storage and a convenient breakfast bar. A side hatch offers additional light and ventilation, making this area particularly pleasant to spend time in.

The saloon is an inviting space featuring a leather easy chair and a comfortable L-shaped sofa that easily converts into a double bed when needed. A built-in wooden corner entertainment unit completes the room, providing both practicality and charm.

Moving forward, a smart bathroom awaits, finished with stylish black stone-effect tiles and fitted with a corner glass shower cubicle, vanity unit, heated towel rail and cassette toilet. Beyond the bathroom lies the bedroom, where a comfortable 4ft 6in double bed and wardrobe storage create a restful and well-organised space.

Steps from the bedroom lead out onto the cratch-covered bow deck, perfect for enjoying peaceful
