Sundance

Blackwater Meadow Marina

£37,500.00

A 45ft 1991 Fenmatch 4 berth cruiser stern narrowboat.

A well presented cruiser stern narrowboat, suitable for holidays afloat or as a floating home. Sundance was freshly blacked and fitted with 4 anodes in June 2025, as well as undergoing a service to her engine.

The exterior is painted in a smart dark blue livery with cream lines and gold lettering, painted in November 2021. The roof was repainted in 2024 and there are 2 x 295 watt solar panels. There is also a tonneau cover at the stern and a cratch cover at the bow.

From a large cruiser stern, steps lead down into the bedroom. The bed can be used as a single berth or can be converted into a double bed. There are also drawers underneath the bed, perfect for storage.

Next there is a well laid out bathroom. This has a cassette toilet with an extra tank, a wash basin and a shower. There is also storage underneath the shelf.

Following this there is a well equipped galley. This comes with a gas cooker and hob, a sink with a drainer and an undercounter fridge. There is ample worktop space and above and below worktop cupboards.

Leading on from this comes the saloon. This has a space saving fold down table, shelving unit and a cupboard in the corner, plus a large sofa bed for accommodating guests.

Steps then lead on to the bow deck which has storage lockers that can double up as seating, perfect for taking in views of the waterways.

The Webasto central heating was installed in 2023 and radiators feature throughout the boat.

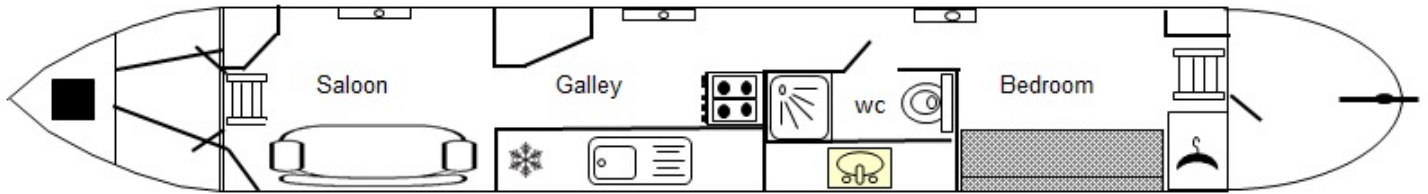

Sundance comes with a Boat Safety Certificate valid until 2028.
