Sundowner

Blackwater Meadow Marina

£46,000.00

A 58ft 1999 Pat Buckle Boats 6 berth semi-traditional stern narrowboat.

Introducing Sundowner, a well presented boat with a sleek and modern grey, black, and red-lined exterior that stands out on the water. Inside you will find all you need for an adventure on the waterways.

Stepping inside, you are welcomed into a thoughtfully designed double fixed bedroom, complete with overhead storage and the added luxury of a cleverly hidden en-suite.

Moving forward, the main bathroom is generously sized and well equipped, featuring a good sized bath with shower head, toilet, and wash basin—ideal for relaxed living aboard.

The next cabin houses a smart U-shaped galley, fitted with a four-burner hob, sink with drainer, gas cooker with grill, fridge, microwave, and dedicated shelving for cutlery and storage. This space overlooks the dinette area, where an L-shaped seating arrangement provides a comfortable dining space and converts into an additional double bed.

At the bow, the saloon offers a warm and inviting atmosphere, featuring a stove for cosy evenings and two generously sized armchairs that convert into two single beds. The forward doors open out onto the bow, creating a full-height picture window of the surrounding scenery and allowing an abundance of natural light to flood the interior—perfect for enjoying the brighter summer months.

A Boat Safety Certificate is valid until July 2027.
