Goytre Wharf

£9,500.00

A 23ft Viking Mouldings 4 berth GRP motor cruiser.

Taliesin is a charming 23ft Viking Mouldings GRP motor cruiser, offering comfortable and practical accommodation for up to four berths. This well-designed compact cruiser is ideal for relaxed inland cruising and short breaks afloat.

Access is via the stern, where you step onto the rear deck and enter the cabin through a central door. Immediately inside, the galley area is sensibly laid out, with a WC compartment located to the left as you enter. The galley is well equipped with an under-counter fridge, a four-burner hob, a sink with drainer, and generous cupboard storage, providing everything needed for preparing meals on board.

Opposite the galley is a comfortable dinette seating area, perfect for dining or relaxing during the day and converting to additional sleeping accommodation as required. At the bow of the boat, a bright and airy seating area easily converts into a double berth, making full use of the space and ensuring flexible sleeping arrangements.

With her thoughtful layout, practical facilities, and cosy interior, Taliesin offers a welcoming and versatile cruising experience in a compact and manageable GRP motor cruiser.
