

## The Dogs

Alvechurch Marina

£31,950.00

A 52ft 1991 Steel Craft 4 berth semi-traditional stern narrowboat.

The Dogs is a well presented narrowboat ready for its next adventure on the waterways. It offers four berths and a well-considered layout, making it suitable for extended cruising or as a liveaboard option.

Entering through the stern, leads you directly into the bedroom, which includes a fixed double bed. Moving forward, a corridor runs along the starboard side, with the bathroom located immediately after the bedroom. The bathroom is equipped with a Thetford toilet, a walk-in shower, a wash basin and some storage space for your toiletries.

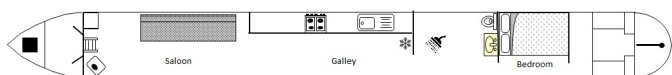

At the front of the boat, the space opens into an open-plan galley and saloon. The galley includes a Kenwood cooker and provides a functional area for preparing meals, while the saloon offers a relaxed space for dining or unwinding. There is a 2 seater sofa which converts into a double bed for friends and family and you will find a stove in the corner for those cosier days.

The interior gives a modern and fresh look with its white panelled interior and shades of grey.

Recent maintenance, the hull was last blacked on 5th June 2025. During the same year, four 2.8kg anodes were also fitted.

The boat holds a valid Boat Safety Certificate until 20th May 2026.

The Dogs is currently moored in Alvechurch and is available for viewing by appointment. Please contact 0121 445 1133 for further information.
