Moving forward, the single bedroom offers a versatile space featuring a single bed, generous desk area which could be used as an office, and a wardrobe, making it ideal for guests, a child's cabin, or even a dedicated home office.

The bathroom continues the high standard of finish, fitted with a large glass-screened shower, macerator toilet, corner basin, and a heated towel rail for extra comfort. You will also find a Bosch Washer Dryer in the bathroom which is included in the sale.

At the bow lies the master bedroom, a spacious and serene cabin with a large double bed and an array of built-in storage cupboards and wardrobes.
