## Thyme To Heal

Fenny Marina

£57,500.00

A 47ft 2008 Piper Boats 2 berth traditional stern narrowboat.

Thyme To Heal is a beautifully presented 47ft traditional stern narrowboat, built in 2008 by Piper Boats.

Designed for two berths, she offers an inviting and stylish interior with a light, neutral colour scheme that provides plenty of scope for personal touches. Her exterior is equally impressive, finished in a stunning navy blue and forest green livery with the boat name whimsically painted on the side, complemented by elegant porthole windows throughout.

Stepping aboard from the stern, you enter the bedroom, complete with a comfortable double berth and a wardrobe at the foot of the bed. Moving forward, the walk-through bathroom features a glass-screened shower cubicle, modern basin, and a pump-out toilet.

The well-appointed galley follows, fitted with a four-burner hob, grill and oven, fridge, and stainless steel sink with drainer. Attractive black worktops and ample cupboard storage make this space both practical and stylish, while a side hatch adds extra ventilation and light.

The saloon at the bow offers a relaxed space with a breakfast bar, sofa, and TV, leading out to a cratch-covered area with bench-style seating—perfect for enjoying the waterways.

Heating is provided via a central system, ensuring comfort all year round.

Thyme To Heal is a superb example of a well-kept narrowboat, ready to cruise and enjoy.
