Gayton Marina £5,500

A 30ft 1986 Springer 2 berth cruiser stern narrowboat.

This sweet little boat is an excellent size for holidays, weekends and ease of mooring and turning. A surrounding skirt protects the stern deck which has the distinctive square shape of a Springer stern, with the boat name embossed across the back.

Descending from the stern via a side door, the toilet and bathroom are handily situated close by and equipped with handbasin, cassette toilet and shower, with waterproof panelling throughout.

Moving forward through the boat there is an open plan living/sleeping area/galley area, containing plentiful storage spaces, seating that converts to provide a double bed, a large wall-mounted tv, sleek galley work surfaces, a sink and a microwave, and double doors opening out to the covered bow deck.

Following a recent survey it has highlighted that the boat needs work on the rear deck and engine and the price has been reduced to reflect this.
