Tinker

Nantwich Canal Centre

£29,500

A 26ft 1999 Sea Otter 2 berth cruiser stern narrowboat.

Tinker is a charming and compact narrowboat, ideal for couples or solo boaters looking to explore the waterways in comfort. Built by renowned boatbuilder Sea Otter, her durable aluminium construction offers excellent longevity and low maintenance, making her a practical and desirable choice.

Finished in a striking blue and red livery, Tinker is a real head-turner on the water, while her thoughtfully designed interior creates a warm, welcoming and homely atmosphere throughout.

Access is from the generous cruiser stern, providing a comfortable space to cruise, socialise and enjoy life afloat. Stepping down into the boat, you'll find the bathroom, which is fitted with a washbasin and cassette toilet.

Moving forward, the dinette provides a comfortable spot for dining or simply watching the world go by. Adjacent is the compact yet practical galley, equipped with a two-burner hob and sink unit. There is also a Houdini hatch for better ventilation

At the bow of the boat is the cosy saloon, a bright and welcoming space that also serves as the sleeping area. The seating easily converts into a double bed, making excellent use of the available space while maintaining Tinker's relaxed feel. Double doors open out onto the bow, allowing plenty of natural light to flood the cabin.
