## Upland Goose

Gailey Wharf

£63,950.00

A 69ft 2015 J D Boat Services 8 berth semi-traditional stern narrowboat. Available Now

An opportunity to purchase an ex-hire boat, which has been regularly maintained and serviced through the years. The boat is also very flexible, with the potential to convert each cabin into either two singles or a double berth. Therefore it's perfect for families or larger holiday groups.

Entering from the stern, there is the first bedroom cabin. This is one of three flexible bedroom cabins, where two singles or a double berth can be set up.

Neighbouring this cabin is the first bathroom. This bathroom is equipped with a shower, a washbasin and a Sani-Nautico pump-out toilet.

Next are two more bedroom cabins, both of which are again flexible, facilitating either two singles or a double berth. There are also storage units fitted throughout all bedroom cabins.

A second bathroom is next, with a shower, further toilet and washbasin. Each cabin has a door that can be closed over for privacy. This allows at least one bathroom to be accessed by each sleeping area without disturbing the cabin next door.

Finally, at the bow end of the boat, there is a galley and dinette. The galley is equipped with a gas hob/grill/cooker, a sink and drainer unit, an under-counter fridge and an plenty of storage cupboards and work surfaces. The galley leads to the dinette area, which conveniently converts to either an additional double berth or 2 singles.

Double doors lead out to the front deck which has bench seating.

---

Grit blasting and a two-pack epoxy coating to the hull was completed in May 2025 so Upland Goose is now looking very smart indeed!

Viewings can be arranged through Gailey Wharf on 01902 790612.
