## Valya

Blackwater Meadow Marina

£35,830.00

A 45ft 2000 Southwest Durham Steelcraft 4 berth cruiser stern narrowboat.

A great opportunity to purchase a decommissioned hire boat from the CLC World fleet.

Valya has a reverse layout, resulting in the stern steps leading down into the saloon area, which is designed as seating and dining table which can be converted into a double bed when needed.

The galley area is well equipped with oven, grill and hob, sink/drain, under counter fridge, microwave and cupboard space.

The bathroom is fitted with a good sized hip bath with shower overhead and shower curtain. There is also a vanity unit with washbasin, and a pump-out toilet.

At the bow end of the boat there is a fixed double berth, with steps leading up to a side hatch at the side. There's also a full height wardrobe, table and storage drawer under the bed.

A recent survey has indicated the need for the following works to be done and the price has been reduced to reflect this:

Over plate base:— est. 2m length, full width

Over plate hull sides at swim both sides (thin areas):

Some Puddle welding:

Sacrificial edge to bow base plate 2m both sides:
