Water Impulse

Fenny Marina

£47,000.00

A 68ft 1994 Delta Marine 8 berth semi traditional stern narrowboat.

Water Impulse is a charming and well-appointed 1994 semi-traditional stern narrowboat, offering a thoughtfully designed interior that makes excellent use of space. Painted in an elegant deep blue livery with light blue coachlines, she cuts a smart figure both on the water and moored.

Stepping aboard from the stern, you enter a versatile cabin featuring banquette seating with useful storage beneath. This area cleverly converts into two tiered single bunks, making it ideal for guests or family. The cabin also includes a full-height cupboard, a counter cupboard, a half wardrobe with shelves, and a roof light that fills the space with natural light.

Moving forward, you'll find a practical bathroom equipped with a shower cubicle, wall-mounted basin, mirrored cabinet, pump-out toilet, and towel rack. Conveniently, there is a second WC just beyond, complete with an additional toilet and wash basin—perfect for accommodating multiple users on board.

The main bedroom features a fixed double bed with storage below, recessed shelving in the headboard, a skylight, and side hatches for added ventilation and light. A large cupboard provides generous storage. Adjacent to this is a second bedroom fitted with two single bunks and a shelved cupboard, ideal for children or additional guests.

The walkthrough galley is well-equipped for life on the water, with black granite-effect laminate worktops, a stainless steel sink, gas cooker, and a 12V fridge. Ample under-counter cupboards ensure everything has its place.

At the bow, the saloon offers a sociable space with a U-shaped six-seater settee that includes under-seat storage. This area can be easily transformed into a comfortable double bed or a dinette with a foldaway table, depending on your needs.

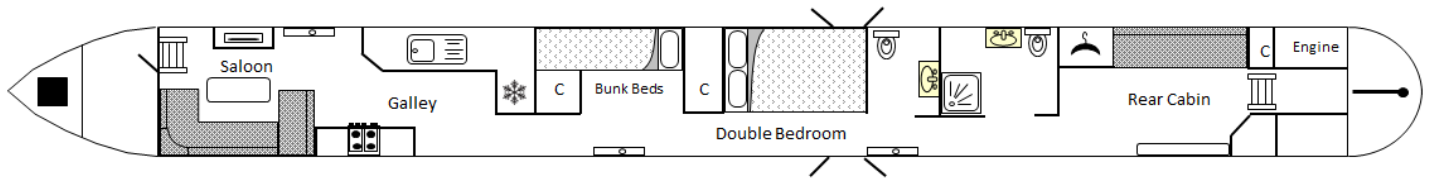

With central heating throughout, Water Impulse is well-suited for extended cruising or as a characterful liveaboard. She represents a wonderful opportunity to own a spacious and flexible narrowboat that's ready to enjoy.
