

Water Mist

Alvechurch Marina

£40,000.00

A 55ft 1987 Colecraft 4 berth cruiser stern narrowboat.

A boat with a lovely traditional feel to her, enhanced by a wooden clad interior with some beautifully carved and bevelled fittings.

Water Mist boasts a sought-after reverse layout and a generous cruiser stern, complete with smart weatherproof skirt. The hull was last blacked in September 2025.

The stern doors are followed by steps leading into the cosy saloon, which features a solid wood stove, sofa bed, armchair and occasional table.

The galley is particularly attractive, with a traditional 'roses' design to the cupboard doors, curved wooden work surfaces, two sinks, integral oven and hob, quarry-tile effect floor and plenty of storage space.

Moving forward, the bathroom is well equipped with a large shower, washbasin and pump-out wc.

The bedroom has a welcoming 'log cabin' feel with a fixed double berth, full sized wardrobe and additional shelving and storage at the foot of the bed.

A side door leads out onto the bow deck.
