

Westering

Gayton Marina

£49,995.00

A 60ft 2004 Border Boat Builders 4 berth semi-traditional stern narrowboat.

Cutting a fine figure with her sharp blue and white paintwork, Westering will be the envy of the canal.

The hull has been constructed from 10mm thick flat bottom plates, 6mm side plates, 5mm cabin sides and 4mm roof.

Stepping into the first cabin from the stern you will find a double bedroom that also has over-head storage and some drawers. To your right you will find Westering's control panel.

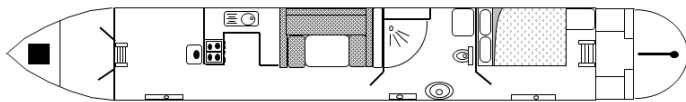

Following through to the bathroom you will find a white tiled corner shower with an adjustable screen, a wash basin and a porta-potti. There is a circular mirror above the wash basin. The bathroom even has room for a washing machine in the unit provided.

Entering into the open plan saloon and galley you will come across a curved dinette area which converts into a double bedroom on the evening.

Next you will have the galley area which has a full sized cooker, with a grill compartment and 4 burner gas hob, an under counter fridge and a sink with drainer. You will also find a shoreline fridge and some storage space under the sink.

The saloon has an open space ready for your choice of furniture and its main feature is the solid fuel stove that sits in the centre to give you a cosy feel in those winter months.

Steps finally lead through double doors to the bow deck which has an 'A' frame.

Overall length	60 feet
Beam	6 feet 10 inches
Draft	2 feet 6 inches
Headroom	--
No. of berths	4
Style of stern
