

Willow Inaya

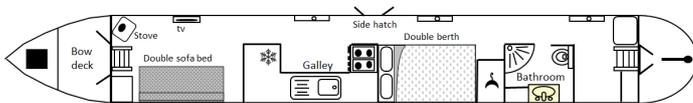

New Mills Marina

£25,000.00

A 54ft 1989 Black Prince Narrowboats 4 berth cruiser stern narrowboat.

A cruiser stern narrowboat offering a perfect opportunity as a live aboard vessel or holidays afloat.

In 2022 Willow Inaya underwent a comprehensive interior refit, hull blacking and was fitted with new anodes. She has also had a new 6mm base plate and new floor bearers from galley to engine.

The stern steps lead into a small cabin, currently used as a boot room and handy for storing equipment and/or waterproofs (although the stern deck is already protected with a Pram Hood cover).

After this, there is a bathroom with a cassette toilet, attractive shower space with curtain, hand washbasin and and storage shelves.

Next is the bedroom. This has a double bed and wardrobe, together with a central heating radiator to the side.

Following on from this is a 'U' shaped galley, well equipped with fridge, sink and draining board, freestanding oven and ample storage cupboards.

This then leads to the saloon where there is a double sofa bed and a wall-mounted TV. A solid fuel stove sits in the corner and the boat has central heating throughout to keep you snug when the temperatures drop.

Willow Inaya has a BSS Safety Certificate valid until 2028.
