Wisp of the Water

Worcester Marina

£59,950.00

A 58ft 2011 ABC Leisure Group 6 berth cruiser stern narrowboat. Available October 2025.

Wisp of the Water is a charming and well-cared-for 58ft cruiser stern narrowboat, built in 2011 and now offered for private sale after many years of delivering memorable holidays on the water. Designed with versatility and comfort in mind, she's perfectly suited for liveaboard life, family getaways, or relaxed weekend cruising. In early 2025, she benefitted from a full engine service, and her current Boat Safety Certificate is valid until October 2027, making her ready to cruise from day one.

Entering from the cruiser stern, you'll find a welcoming saloon and dinette area with an L-shaped sofa that converts into a double berth, a removable dining table, and an entertainment system including a TV, DVD player, and radio/CD stereo. The fully equipped galley features a four-burner gas hob, grill, oven, microwave, fridge, and sink with drainer, along with generous storage.

A separate WC contains a pump-out toilet and wash basin, followed by a mid-cabin that can be configured as either a double or twin singles with a wardrobe. The main bathroom offers a hip bath with shower over, a second electronically operated pump-out toilet, and another wash basin.

At the bow is a fixed double bedroom with wardrobe and direct access to the front deck. Central heating runs throughout, ensuring year-round comfort.

Wisp of the Water is currently moored at the well-connected Worcester Marina, and viewings can be arranged around ongoing hire periods. For further

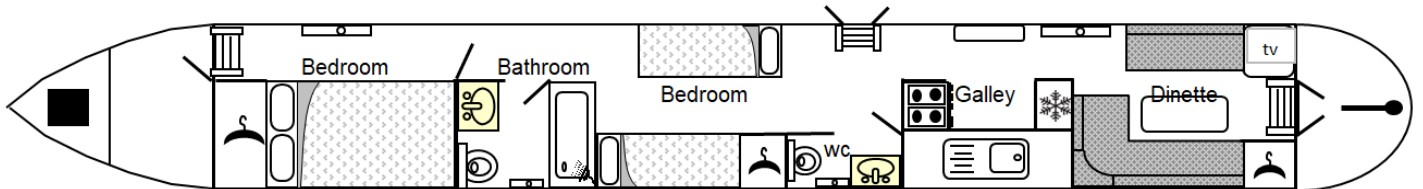

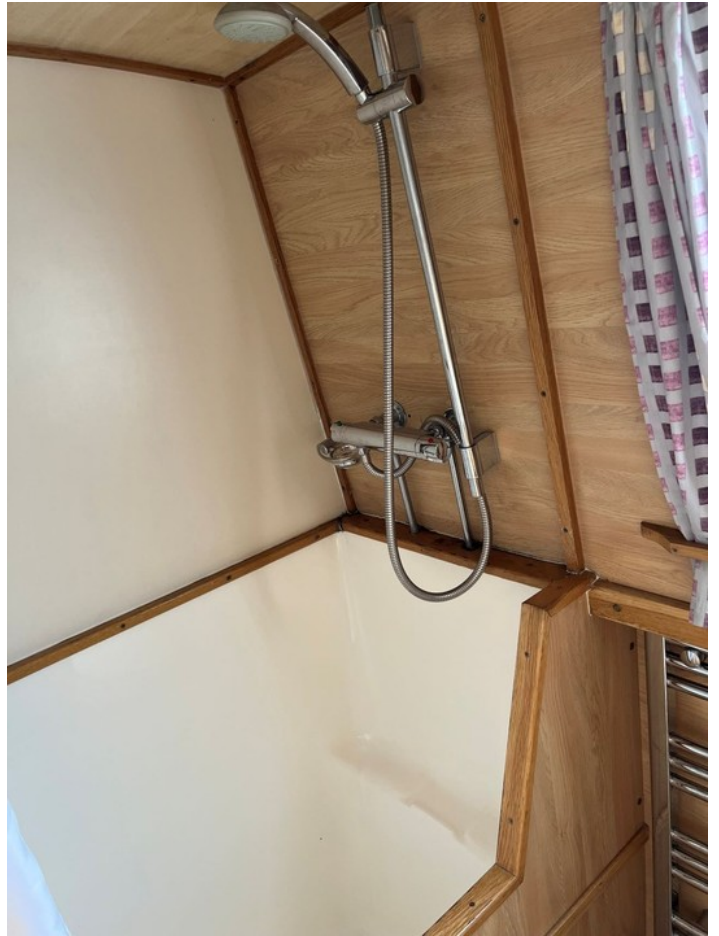

details or to book a viewing, please call 01905 734 160—your canal cruising adventure starts here.
