Wood Duck

Gailey Wharf

£64,950.00

A 59ft 2012 JD Boat Services Gailey Ltd 6 berth cruiser stern narrowboat. Available end October 2025.

Step aboard Wood Duck, an attractive, ideally sized 59ft cruiser stern narrowboat built in 2012 by JD Boats Services Gailey Ltd. Formerly part of the ABC hire fleet, she has benefited from continuous professional upkeep and a new Barrus engine installed in January 2022, ensuring reliable cruising for years to come.

From the stern, you enter the first of two flexible bedrooms, where the sleeping arrangement can be configured as either a double or two singles. This cabin also features a cupboard for storage and a TV for added comfort. Moving forward, the first bathroom is fitted with a shower, basin, and macerator toilet, offering convenience and privacy.

The heart of the boat is an open-plan saloon and galley. The L-shaped dinette provides a sociable space for dining and can be converted into an additional berth when needed. The galley is well-equipped with a cooker, fridge, and sink, complemented by generous worktop space and storage to make onboard living both practical and enjoyable.

A second full bathroom follows, mirroring the first in its fittings and finish. At the bow, the second bedroom echoes the layout of the stern cabin, with the same adaptable sleeping arrangement, making Wood Duck ideal for families, friends and guests alike

Whether you're looking for a live-aboard, a holiday cruiser, or a well-kept vessel with proven reliability, Wood Duck offers a versatile and comfortable home on the water.

Viewings will be scheduled around bookings and turnaround time and will be available at the end of the season in October 2025. To arrange a viewing, or for any further information, please contact Gailey Wharf on 01902 791811.

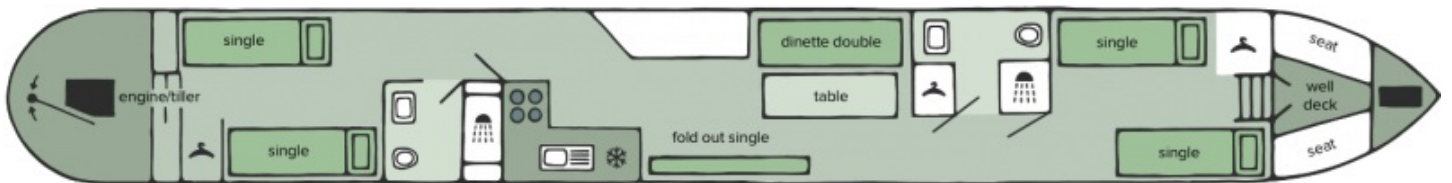

Items excluded from sale

2x 13kg Propane Gas Bottles
