

Yin Yang

Hilperton Marina

£39,000

A 60ft 1990 Terry Babcock 4 berth traditional stern narrowboat.

Finished in a smart and timeless black and cream livery, Yin Yang is a well-appointed narrowboat, powered by a Barrus Shire 4-cylinder diesel engine and offers comfortable accommodation, practical living space and an attractive, modern interior.

Entering through the traditional boatman's cabin, you step into a beautifully styled interior that has been tastefully decorated and thoughtfully equipped throughout.
This area features a cupboard housing a full-size, energy-efficient washer/tumble dryer, with shelving above providing useful additional storage.

The bedroom cabin offers a freestanding double bed with a movable bed frame, a large built-in wardrobe, attractive porthole windows and a wall-mounted electric heater, creating a comfortable and welcoming retreat.

Moving forward, the spacious bathroom is fitted with a corner shower cubicle with overhead shower, a heated towel rail, washbasin with storage beneath, and two cassette toilets.

The well-equipped galley kitchen provides everything needed for extended cruising or residential use. Facilities include a generously sized fridge with separate freezer compartment, oven and grill, four-burner hob, and stainless steel sink with draining board. There is ample worktop space, together with plenty of cupboards and drawers for storage. At the end of the galley, a breakfast bar with two high stools creates an ideal spot for dining.

The forward saloon serves as a bright and versatile living area. It features two armchairs that can be arranged as a two-seater sofa and converted into either two single beds or a double bed for guests. A multi-fuel stove provides warmth and character, while built-in storage units on either side of the front double doors maximise practicality.

At the bow, the front deck offers comfortable padded seating on both sides and access to the gas locker, making it an ideal place to sit and enjoy the waterside surroundings.

The boat benefits from a Boat Safety Certificate valid until 15th November 2026. The exterior has recently been repainted, and the hull was last blacked in June 2024 at Hilperton Marina, providing added peace of mind for prospective owners.
